PROPOSAL SECTION	
CITY	
Charter Amendment 1 Dedicated Police Millge	
An amendment to Section 11.5 of the City Charter to add Section 11.5(a) to authorize the levy of 4.0 mills for police purposes for the years 2018 to 2026.	
This amendment authorizes the annual levy of not to exceed 4.0 mills for 8 years, 2018 to 2026, for police purposes. Approval would increase the tax levy by 4.0 mills as new additional millage in excess of the limitation imposed by law, restoring a portion of the Charter millage authorization previously approved by the electors, since reduced by the Headlee amendment. If levied, 4.0 mills would raise approximately \$369,106.00 when first levied in 2018. Approximately \$40,344.00, will be required to be distributed to the Tax Increment Finance Authority.	
Shall this proposed amendment be adopted?

Property Seizure and Forfeiture

New Section 18.7 of the Charter of the City of Keego Harbor, Michigan

Section 18.7. Property Seizure and Forfeiture.

As used in this section, "property" shall be liberally construed to include assets and possessions; "employee" includes anyone acting under the authority of the city. A conviction of a criminal offense is a prerequisite to forfeiture and the transfer to the City of Keego Harbor of title to property directly used in or derived from that offense. All revenues from forfeited property, including revenue derived from sharing proceeds of forfeited property from cooperation with other federal, state, or local agencies, shall be placed in a separate fund, used only to pay costs directly related to local street repair, and shall not be earmarked or allocated to law enforcement or code enforcement. At any time, a property owner may ask the City or a court to return property that was wrongly seized or because there is no reason for the City to continue to hold the property. No bond shall be required on any property seized under authority of the city. If property is wrongfully seized, the City has no reason to continue to hold the property, or the property owner is not convicted of a criminal offense that has a forfeiture provision, the city shall return, replace, or provide full compensation for any property damaged, defaced, or devalued as a result of seizure by city employees. Records of all property seizures shall be indexed by date, department, name of owner, property type, and seizure value, and include details of the conviction. These records shall be published monthly on the city's publicly-accessible website consistent with Michigan's Freedom of Information Act 442 of 1976.
