ORDINANCE NO. 453

AN ORDINANCE TO AMEND THE CITY OF KEEGO HARBOR CODE, CHAPTER 9, TO AMEND DIVISION 3 FALSE ALARMS Sec 9-81, TO READ AS FOLLOWS:

THE CITY OF KEEGO HARBOR ORDAINS:

Section 9.81 False alarms; fees; revocation procedure.

Any person operating an alarm system experiencing more than one false alarm as described above within one calendar year shall pay to the City of Keego Harbor false alarm fees, or in the event of false fire alarms, the fees shall be paid to the tri-city fire authority, as herein described:

Second false alarm \$25.00

Third false alarm \$50.00

Fourth false alarm \$75.00

Fifth and subsequent false alarms \$100.00 and alarm permit subject to revocation.

Whenever there are more than five false alarms within a calendar year emanating from a specific occupancy unit, such alarm system shall be determined defective. Upon written notice by the City of Keego Harbor Police or tri-city fire department to the owner or lessee, such owner or lessee shall within ten days from the date of said notice, cause the alarm system to be inspected by a licensed, competent alarm system contractor who shall within ten days from the date of such inspection file a written report with the City of Keego Harbor Police Department and tri-city fire department of the results of his inspection of the system, together with the finding or probable cause of the false alarms and the measures implemented to eliminate the same. Failure to comply with the provisions of this article or failure to eliminate the occurrence of any additional false alarm(s) may result in the revocation of a permit. A written notice of revocation, stating the cause or causes therefor, shall be delivered to the permittee personally or sent by registered mail. Unless a written request for a meeting is filed with the City of Keego Harbor Chief of Police, tri-city fire department fire chief, or his designated representative within ten days from the receipt of the notice of revocation, a permit shall be revoked and permittee shall immediately discontinue operation of a burglar or fire alarm system. If a meeting is requested hereunder it shall take place within ten days of that request. The permittee at that time shall have the opportunity to present written and oral evidence as to why the revocation of said permit would not be justified. If it is determined at that meeting that the permittee has failed to comply with the provisions of this article and that the revocation is justified, the City of Keego Harbor Chief of Police or tri-city fire department fire chief shall issue a written finding of his recommendation to that effect with the City of Keego Harbor Clerk.
