Subject: Priority Waste Ownership Structure Change

BACKGROUND

Priority Waste is notifying the City of a change in corporate ownership involving a transaction in which TPG, a global asset manager, will acquire a controlling equity interest in the company. Priority states this is an equity-level change only, with no change to the contracting entity, no assignment of the agreement, and no disruption to services. All service terms, obligations, and operations will remain unchanged.

The company is requesting the City's acknowledgment and written consent to the change of control, confirming that it does not constitute a default or termination event under the existing agreement.

RE: Consent to Change of Control

Dear Ms. Neeb,

We previously communicated that we have received the support of our key financial stakeholders, including TPG and Ares Capital, who are committed to the business and ensuring our financial stability. As you may know, TPG is a \$300 billion asset manager with experience in our industry. I'm pleased to update you that TPG has agreed to invest at least \$150 million of new capital into our business and strengthen our long-term financial position. Priority Waste intends to deploy this capital to position ourselves for success and bolster our ability to continue providing premier service to our customers on a long-term basis, including by funding truck purchases and our Indian Summer recycling center.

Once the transaction is effectuated, there will be a change in our ownership structure, though our services to you will continue uninterrupted. TPG, which will be our primary equity owner at the close of the transaction, is a long-time lender and partner to our team. They know our leaders, business, and operations well. With TPG's deep knowledge of the waste and environmental services business, we will have a partner who understands the unique needs of municipal customers and is committed to helping us be an industry leader. Our leadership team will continue to work with you just as we have, and we expect there to be no impact to our operations as a result of the agreement, transaction, and change in the ownership structure.

We are reaching out to seek your support and consent related to this change in our ownership structure. Attached is a written consent form that we ask you to review and return. This type of consent is a routine and customary part of transactions like this one. We don't anticipate any changes to the terms or scope of our agreements with you, and we are committed to making this as straightforward and seamless as possible by working closely with you every step of the way.

Our focus remains on our commitment to delivering the highest quality services for our customers and the communities we serve. We will continue to provide updates as there is information to share.

We appreciate your continued support of Priority Waste.

Consent to Change of Control

Priority wishes to inform you that it has entered into a transaction pursuant to which TPG, a global asset manager with over \$300 billion in assets under management on behalf of pension funds, corporations, foundations, sovereign wealth funds, and individual investors, will acquire a controlling equity interest in Priority (the "Transaction").

The Transaction constitutes a change of control at the equity ownership level of Priority. Importantly:

- Priority Waste LLC will remain the contracting party under the Agreement
- There will be no assignment of the Agreement to a different operating entity
- All services will continue to be provided by Priority without interruption

Following the closing of the Transaction:

- Priority will continue to perform all obligations under the Agreement
- There will be no change to Priority's service standards or operational commitments
- All existing terms and conditions of the Agreement will remain in full force and effect

To the extent that the Agreement requires notice and/or consent for a change of control, we respectfully request that you:

1. Acknowledge and consent to the Transaction; and
2. Confirm that such change of control does not constitute a default or termination event under the Agreement

By providing such consent, you agree that:

- The Transaction is permitted under the Agreement
- No additional approvals, notices, or waiting periods are required under your Agreement
- The Agreement shall continue uninterrupted following the closing of the Transaction

For the avoidance of doubt:

- This Transaction does not constitute an assignment of the Agreement
- The Agreement remains unchanged except for the indirect change in ownership of Priority
- All of your rights and obligations under the Agreement remain fully enforceable

Your consent will become effective as of the closing date of the Transaction.

We appreciate your continued partnership and are confident that this Transaction will further strengthen Priority's ability to deliver high-quality service.

If you have any questions, please contact Sam Caramagno, VP of Municipal Relations, 734-812-5732, scaramagno@prioritywaste.com.

Very truly yours,

Subject: Proposed 2026-27 Fire & EMS Budget & Board Member Expiring Terms

The purpose of this communication is to provide the proposed 2026-27 Fire and EMS Budget and the Fire Board expiring terms.

1. The Fire Board approved the attached 2026-27 fiscal year budget of \$1,180,216 for Fire and EMS Services to the cities of Keego Harbor, Orchard Lake and Sylvan Lake. The fund balance is projected to be \$233,787 representing 19.81% of total expenditures. For reference, included are the unapproved minutes from the 4/14/26 Fire Board meeting where the budget was discussed and unanimously approved. The West Bloomfield Fire Department continues to successfully operate the Tri-City station, providing full time Fire and EMS service to our citizens. The Fire Board monitors the situation and is extremely satisfied with the services provided.

Effective July 1, 2026, the fees each City shall pay for Fire/EMS service will increase to \$390,972 per city with quarterly payments of \$97,743 due on July 1, 2026; October 1, 2026; January 1, 2027; and April 1, 2027. This is an increase of \$11,200 from last years payments which totaled \$380,772. The Headlee Inflation Rate Multiplier is 2.7% as published by the State Treasury, consistent with the terms of the escalator clause in the contract with West Bloomfield.

2. The current term of one of your two representatives on the Board expires on June 30, 2026 (Tim McCabe For Orchard Lake, Sharon Horger for Keego Harbor, and Pat Riney for Sylvan Lake). It would be my recommendation that all be reappointed for another two year term. For reference, attached is the Board Member Nominee Guide to help with the reconfirmation of your existing representative or if deemed appropriate, the selection of a new representative.

Respectfully,

Tim McCabe
Chairman, Tri-City Fire Board

Cc: Mayors of Keego Harbor, Orchard Lake, and Sylvan Lake, Fire Board Members

Tri-City Fire Board Nominee Guide

The function of the Tri-City Fire Board has changed quite dramatically since the transition to West Bloomfield Fire Department in 2003. With Wbfd handling all the technical and personnel-related aspects of running the fire department, the Board's primary roles, as defined in the Operating Agreement, are to assure appropriate fire & EMS services are being provided, stewardship of the assets, manage the financial aspects of the relationship and help resolve primarily business-related issues. As a result, the Board has developed the following characteristics for use by the Cities as a guide for nominating and appointing future Board members:

1. **Teamwork skills are needed, in that the Board member represents their respective community, interfaces with other Board members, as well as WB Township and fire department personnel on a regular basis.**
2. **Business and financial skills are important, as the financial arrangements with WB need to be fully understood in order to sustain the relationship into the future.**
3. **Flexibility, creativity and openness to new ideas are characteristics that are needed especially as unforeseen challenges and issues arise.**
4. **Public speaking capability is a preferred characteristic in that Board members are always "on the record" during meetings as well as when presenting to the Cities, Township or the Press on Board matters.**
5. **A basic knowledge of the functioning of local government and political awareness are desired traits as Board members interface with elected officials and should understand how to operate effectively in that environment. To that end, preferably, at least one Board member from each City should be actively involved in their respective municipal government.**
6. **A strong work ethic is essential in order to support Board activity, resolve issues and proactively represent their City on the Board and with Wbfd for the duration of their two-year appointment/reappointment. Attendance at quarterly Board meetings is expected.**
7. **The nominee should reside in their respective community for a minimum of three years prior to being appointed.**
8. **Board continuity is needed and candidates should be expected to be on the Board for more than a single 2-year term as the Operating Agreement with West Bloomfield is for an extended period. The collective memory of the Board will be important to sustain the current relationships ad infinitum.**

Re: Proposed 2026/2027 City of Keego Harbor Water Supply and Sewage Disposal System Rates

Dear Ms. Neeb:

The Water Resources Commissioner's Office provides operation and maintenance services for the City of Keego Harbor Water Supply System and Sewage Disposal System. Each year, the WRC conducts a review of the financial condition of the funds used for these systems and provides recommendations for the operation, maintenance and capital improvements needed to maintain these systems. Additionally, the WRC develops a budget, establishes a quarterly charge to be paid by the customer, and maintains a reserve fund in trust for the City.

We have reviewed the financial condition of the City of Keego Harbor Water Supply System fund for the operational period ending September 30, 2025. Based on the projected costs for operation and maintenance, the WRC recommends the commodity rate increase from \$30.49 to \$30.97 per Mcf and the fixed quarterly charge to increase from \$59.17 to \$63.93 per quarter for the 2026/2027 rate year.

Similarly, we have reviewed the financial condition of the City of Keego Harbor Sewage Disposal System fund for the same period. The WRC recommends the commodity rate increase from \$65.38 to \$71.52 per Mcf and the fixed quarterly charge increase from \$34.34 to \$42.08 per quarter based on the projected costs for operation and maintenance for the 2026/2027 rate year.

We request that the enclosed charges be adopted by the City, effective July 1, 2026. At your earliest convenience, please provide my office with a copy of the adopted resolutions.

If you have questions regarding this matter, please feel free to contact Amy Ploof, Chief Engineer for water systems at 248-431-7985 or Drew Sandahl, Chief Engineer for sewer systems at 248-285-8375.

AMENDED WATER SUPPLY RATES RESOLUTION

Resolution No. 26-15

WHEREAS, in a letter dated May 6, 2026, the Oakland County Water Resources Commissioner (OCWRC) has recommended that the water rate consist of a commodity charge of \$30.97 per Mcf which includes a component for Great Lakes Water Authority (GLWA) water purchases and OCWRC operations and maintenance for all users of the Keego Harbor Water Supply System; and

WHEREAS, the OCWRC has also recommended that the water rate include a fixed charge of \$63.93 per Meter Equivalency Unit (MEU) assignment factor that will be applied quarterly in accordance with the MEU table below:

<u>Meter Size</u>	<u>MEU</u>
5/8"	1.0
3/4"	1.0
1"	1.0
1 1/2"	2.0
2"	3.2
3"	9.0

8"	80.0
10"	130.0
12"	160.0
16"	200.0
20"	330.0

This fixed charge includes a component for the GLWA fixed charge and OCWRC maintenance programs.

Fixed Charge	Charge Per MEU
GLWA	\$ 50.61
OCWRC	\$ 10.87
WATER METER CHARGE	\$ 2.45
Total Charge Per MEU:	\$ 63.93

NOW, THEREFORE, BE IT RESOLVED that the rates for water supply will be established with a commodity charge of \$30.97 per Mcf of metered water consumption plus a fixed quarterly charge based on the MEU factor. This fixed quarterly charge, which is applicable to all users, will be established at \$63.93 per MEU. A minimum of \$104.19 will be charged quarterly based on an assigned use of 1.3 Mcf. These rates will be effective for use on or after July 1, 2026.

CITY OF KEEGO HARBOR
AMENDED SEWAGE DISPOSAL RATES

Resolution No. 26-16

WHEREAS, the County of Oakland and the City of Keego Harbor entered into an agreement, dated October 12, 1959, whereby the County of Oakland agreed to construct and finance a sewage disposal system designated as the "Keego Harbor's Sewage Disposal System" for the purpose of collecting sanitary sewage within the city limits and delivering the same to the Evergreen-Farmington Sanitary Drain Drainage District established by the county; and

WHEREAS, the County of Oakland and the City of Keego Harbor entered into an agreement dated May 16, 2019, whereby the city designates and employs the county to operate and maintain the Keego Harbor Sewage Disposal System, including billing and collecting of charges for sewage disposal services and connection fees as are established by the city by ordinance or resolution; and

WHEREAS, the City of Keego Harbor was notified by the Oakland County Water Resources Commissioner, that the gross Pollutant Surcharge and the Industrial Waste Control (IWC) charges would go into effect July 1, 2026, per notification from Great Lakes Water Authority (GLWA) of the net charges, and

WHEREAS, in a letter dated May 6, 2026, the Oakland County Water Resources Commissioner, as operating agency for the City, recommended that sewage disposal rates be established effective July 1, 2026; and

WHEREAS, the sewage disposal charge has increased \$6.14 from \$65.38 per Mcf to \$71.52 per Mcf; and

WHEREAS, the minimum quarterly charge has been established at \$92.98 based upon an assigned use of 1.3 Mcf plus a fixed charge based on Meter Equivalency Unit (MEU) assignment factor; and

WHEREAS, the flat rate quarterly charge has been established for residents who have sewer service who do not have a water meter based upon an assigned use of 3 Mcf which equates to \$256.64 plus a fixed charge based on an MEU assignment factor; and

NOW, THEREFORE, BE IT RESOLVED that for metered users, sewage disposal rates and charges will be \$71.52 per Mcf of metered water consumption plus a fixed charge based on a MEU factor with a minimum of \$92.98 quarterly plus a fixed charge, and for unmetered users, the flat rate charge for unmetered customers will be \$256.64 per unit per quarter plus a fixed charge. This fixed charge, which is applicable to all users, will be established at \$42.08 per MEU according to the table below. Of the \$42.08 per MEU charge collected, \$3.26 will be sent to the City for various sewer programs upon collection by the OCWRC.

<u>Meter Size</u>	<u>MEU</u>
5/8"	1.0
3/4"	1.0
1"	1.0
1 1/2"	2.0
2"	3.2

8"	80.0
10"	130.0
12"	160.0
16"	200.0
20"	330.0

Where a meter size is not available, a MEU will be assigned based on residential equivalency unit.

The current Pollutant Surcharge and the Industrial Waste Control (I.W.C.) charges will be as follows:

1. **Pollutant Surcharge**

A Pollutant Surcharge shall be levied against industrial and commercial customers contributing sewage to the system with concentrations of pollutants exceeding the levels described as follows:

POLLUTANT SURCHARGE RATE, PER EXCESS POUND	EFFECTIVE JULY 1, 2026 \$/LB
Biochemical Oxygen Demand (BOD) - for concentrations > 275 mg/l	\$ 0.427
Total Suspended Solids (TSS) - for concentrations > 350 mg/l	0.572
Phosphorus (PHOS) - for concentrations > 12 mg/l	8.249
Fats, Oils and Grease (FOG) - for concentrations > 100 mg/l	0.137

It is assumed that residential customers do not contribute sewage with concentrations of pollutants exceeding the above levels; therefore, the Industrial Surcharge will not apply to residential customers. Further, restaurants shall be exempt from Pollutant Surcharge per Federal Court Order "Second Interim Order," dated July 10, 1981.

2. **Non-Residential Flow Charge**

Based on the size of the water meter, actual or assigned, each non-residential user of the system shall pay a monthly Non-residential Surcharge in accordance with the following schedule:

METER SIZE	EFFECTIVE JULY 1, 2026 MONTHLY IWC CHARGE
5/8"	\$ 4.06
3/4"	6.09

Subject: Medical Insurance Option

BACKGROUND

Offering two Insurance Plan options for City of Keego Harbor:

Renewal Summary

The city offers medical, prescription, and vision coverage through Blue Cross Blue Shield of Michigan.

1. The current Blue Cross HAS(Health Savings Account) / PPO plan has presented a med/rx renewal of 15.9% for an increase of \$22,188 annually. The increase includes the IRS mandated increase in annual plan deductible to \$1,700 for singles and \$3,400 for families. With this plan the employees pay 20% for the premium and you don't need any referrals to see any doctors.
2. The second plan is Blue Cross HAS (Health Savings Account) /HMO, with this plan the deductibles stay the same, but the overall premiums are lower for the City by approx.\$16,038 (if everyone went on the plan) and the employee does not pay the 20% but would have to get referrals and check to see if there existing doctors take HMO's.

We recommend offering employees a choice of plans to reduce overall costs for both the city and employees.

Re: Proposal for Professional Assessment and Design Services – REVISED
Keego Harbor City Hall Repairs

HRC Job No. 20250792

Dear Mrs. Neeb

Hubbell, Roth and Clark, Inc. (HRC) is pleased to submit this proposal for professional architectural services relative to the subject project. This scope of work focuses on assessments and documentation for bidding purposes for necessary repairs to the exterior walls and roof of Keego Harbor City Hall located at 2025 Beechmont Street.

Our scope of work has been updated based on our recent communications with your office at our March 26th follow up meeting. In summary, HRC will provide the following services, combining initial assessments with the necessary design and bidding documentation for repairs to the exterior walls and roof of the City Hall:

Building Assessments

- ≡ Roof Inspections
 - Conduct a field inspection of the existing condition of the asphalt shingle roof. The chimney will specifically be reviewed for the noted leaks.
- ≡ Existing Building Reference Information
 - Project personnel will visit the site to inspect existing building conditions and gather information needed to develop the scopes of work. Photos and existing building drawings will be used to identify work scope.

Bid Documents

- ≡ Prepare Bid Documents
 - HRC will provide information packets to define the work scope for bidding and construction on the following:

- Removal and replacement of caulk at wall openings (doors, louvers, windows, etc.) and control joints on exterior wall surfaces.
 - Repainting of exterior siding, fascias, and trim.
 - Removal and replacement of gaskets and resealing of glazing at windows.
 - Remove rust spots on burnished masonry; clean and seal masonry.
 - Repairs or Replacement of Roofing (assumed to be a separate bid package from the other exterior improvements work).
- ≡ Hold (1) one Owner Review Meeting (if needed).
 - ≡ Provide project technical specifications; Coordinate with Owner-Supplied Front End Documents.
 - ≡ Provide limited bidding assistance for bid packages, including: responding to bidder questions and reviewing bid proposals.

Fee

HRC expects to complete this work for a not-to-exceed total of \$9,700, invoiced monthly in accordance with our engineering services contract. See below for a breakdown of this cost by Phase.

≡ Assessments.....	8 Hours	\$ 1,400
≡ Bid Documents.....	46 Hours	\$ 8,300
 Total	 54 Hours	 \$ 9,700

Schedule

Bid documents are anticipated to be completed within 4-6 weeks from authorization.

Clarifications

HRC includes this section so as to clarify the expectations both for the Owner and HRC.

1. Our work scope does not include detailed bid documents per the City's request; HRC will not be providing new drawings for this, but we will utilize existing building drawings to serve as the basis for the bid packages.
2. It is presumed that design and bidding for the two bid packages will be completed by Summer 2026.
3. Construction Administration has not been included in this work scope, but we would be happy to provide this as a separate service should it be requested.
4. The masonry, doors, and interior of the building will be considered "existing to remain" for the purposes of this work scope.
5. As the age of the building is unknown, it is possible that there could be Lead Paint and/or Asbestos Containing Materials (ACM's) in the building. If applicable, it would be the Owner's responsibility to have materials testing performed to identify these as needed.
6. It is presumed that since this work is considered repair work that building permits will not be required.

Very truly yours,

Subject: Campers Path Landscaping- Fran Leaf Park Walkway

BACKGROUND

The City has received only one response to our bid request despite repeated direct outreach to multiple local, responsible landscapers. At this point, staff believes it may be necessary to proceed with the one qualified company that expressed interest in completing the work.

The following companies were contacted:

1. Golder Walsh Garden and Home – No response
2. Aquafina Gardens International – No response
3. Creative Brick Paving & Landscaping (Creative Design Build Associates) – Bid received in the amount of \$21,908.00
4. Schecter Landscaping Inc. – No response
5. Auburn Oaks Garden Center – No response
6. Bloomfield Land and Plants – No response
7. English Gardens Landscape Division – No response

TIFA intends to ratify the expense contingent upon Council approval to proceed with Creative Brick Paving & Landscaping.

TIFA will ratify the expense if council approval to move forward with Creative Brick Paving and Landscaping.

RECOMMENDATION

Resolution to approve or deny authorizing the award of the landscaping services contract to Creative Brick Paving & Landscaping (Creative Design Build Associates) in the amount of \$21,908.00, with TIFA to ratify the expenditure, and to authorize the City Manager to execute any necessary agreements to implement the contract.
